ZACH

BBHHS Vocal Music Boosters is happy to welcome BBHHS alumni and recording artist ZACH FREIDHOF.

Zach was voted "Most Musically Talented Male" when he graduated from BBHHS in 1999. His high school talent show appearance had the sold-out audience screaming and singing along with his music. Today Zach performs over 200 shows a year all around the country, performing with both contemporary and classic performers like Chicago, Bad Company, Rick Springfield and Michael Bolton. His exciting, high energy shows and spiritually emotional material have gathered a devoted following and give Zach the ability to win over and move audiences both in and outside of his genre. A repeat winner of many regional and local music awards, Zach combines smart and sensitive lyrics and melodies with a contemporary zing.

BBHHS Jazz Ensemble

The Brecksville-Broadview Heights Jazz Ensemble, directed by Mr. Ryan Nowlin, is an instrumental group made up of members from the ninth through the twelfth grades. The Jazz Ensemble has performed at the Lakeland Jazz Festival, the IX Center Christmas Connection, and various nursing homes around the area. They have provided Gala entertainment at many of the previous Ticket to Broadway evenings, and we are proud to welcome them back to our anniversary celebration.
