

Kristen: Call the meeting to order at 6:33

Minutes approved: Motion- Kelly Ostroski, Seconded, Jack Molina

Treasurers' Report: One expense \$1638.10 (Soundtrap). \$.02 Interest gained in money market account. One new purchase next month for the air purifiers.

Emily- uniforms from last year are dry cleaned. Check needs to be sent. Jack will handle directly.

Director's Report:

*Soundtrap description. Music editing for themselves. Follows all child privacy laws, I can access all student accounts and see chats, messages, etc. so they are not unattended. A Whole New World from Aladdin. Pull in MIDI files and do their own sound editing.

*All of the programming is collaborative. At home and in-person students can work simultaneously. Similar to Google- can revert changes, add things, etc.

Same program for Mrs. Sipusic's 'Kick it for Cancer' video last year.

*This is how we are putting together the show choir festival. I added the background track, and the students can add individual tracks that we can mix together to get the final progress.

*Focusing on having students interacting with each other- even digitally. Better than the alternative. Chromebooks are hard to use with it. Middle school students using it as well. Was able to teach it on hybrid schedule- instead of teaching online.

*Wednesdays are more like 'office hours'- focus on the at-home students (quarantined as well).

*Looking into a permanent curriculum addition of Soundtrap into the district budget. Hopefully will not be booster funded in the future.

Kristin: Senior banners. VMB paying? Vote as we get closer.

*Yard signs are ready to go- but moving it to next year. Keep pricing simple (star sports).

Kelly- speech and debate had one design- longevity. But names prevent us from doing large quantities. If names are add-ons, then we could have 'generic' signs and add-on the names/ choirs/ etc.

Kristin: Choir spirit wear- putting it off until next year. Honeycomb design.

Swarm board- students not really responding- reaching out to online learners to see if they want to come in after hours when the building is empty to do the board.

Chipotle fundraiser: virtual festival/ date is Nov. 24th. 4-8pm. Broadview Heights. Order online/ app/ pickup.

Kristin: No new business.

Meeting end. 7:05
